

Redemption Kids Lesson (Luke 16:19-31)

Note to Parents: At Redemption Church we believe in the importance of family worship. During this time, you as a parent have an amazing opportunity to worship at home together with your children. I will be sending out lessons for you to go through with your children along with some games, songs and even some family competitions! Take this time to dive deep into God's word with your little ones. God can move in great ways, even in quarantine.

Opening Activity: Money Count

- Coins
- Timer

Place a pile of coins in front of your child. See how fast they can separate the coins into the correct piles (pennies in one pile, quarters in one pile, etc..). The one with the fastest time wins!

Say: In order to buy things what do you need? Money! However, some things cannot be bought. In today's lesson we will talk about a man who had lots of money, but he did not have what was really important.

Lesson:

This passage may be difficult for some kids to grasp. I want to encourage you to not shy away from tough questions they may ask. Use this as an opportunity to have deep meaningful conversations with your little ones.

Read Luke 16:19-31 out loud

Ask:

Who are the people in our story?

What stuck out to you in our story?

Hell is a real place. Those who do not have a relationship with God will go there when they pass away. That's not a fun thing to think about but it's true. This is why our church is focusing on who's your one. (If your child has not picked their one yet, take this time to help them think through someone in their life who is not saved.) God uses us to spread the gospel to the people around us.

Who is your one?

How can you reach out to your one this week?

What is the Gospel?
