

## Redemption Kids Lesson (John 1:29-42)

**Note to Parents:** At Redemption Church we believe in the importance of family worship. During this time, you as a parent have an amazing opportunity to worship at home together with your children. I will be sending out lessons for you to go through with your children along with some games, songs and even some family competitions! Take this time to dive deep into God's word with your little ones. God can move in great ways, even in quarantine.

### **Opening Activity #1:** Good News Charades

Have your kids take turns acting out something that they might want to tell people about. (Examples: mom is making cookies! We are going to Disney! We got a puppy!) Pretend they have great news to share, but must do so without making any noise.

### **Opening Activity #2:** Dominos

If you have dominos help your kids set up a Dominoes course around the room. Watch how one domino knocked over starts a whole line-up falling down. Explain that today you will be talking about sharing and spreading something that can start small and have a huge impact.

**Say:** Today we will be talking about sharing the good news of Jesus. When we tell or show others how much God loves us, they will hopefully want to pass that on, as well. We can spread the hope and joy of our faith to those around us!

### **Lesson:**

Ask: Who is a famous person you would be excited to see walking down your road? How would you react? Would you be excited? Would you tell other people about it?

Well, that is exactly what happened in the Gospel of John here. John the Baptist noticed Jesus, and He knew who He was. He couldn't wait to tell others about Him.

Read John 1:29-34

John wanted other people to know who Jesus was! He couldn't keep it to himself. He shared with his own disciples who Jesus was. Yes, John had disciples too! He told them about Jesus, and they wanted to follow Him.

Read John 1:35-39

What did these men do after their friend John pointed out who Jesus was? They followed after Him! These disciples quickly and readily followed Jesus. But the story doesn't end there

Read John 1:40-42

What did Andrew do? He told his brother!

What can we learn from the people in our lesson?  
Have you been able to tell your one about Jesus? How?  
How can you tell your one about Jesus this week?

**Scripture Memorization:** 1Thessalonians 5:17-18  
Come up with hand motions to help them memorize the verses!
